

11th October 2010

Dear Councillor Gallagher,

We apologise for contacting you directly at your home address. We felt the need to ensure that this was delivered directly to you.

At the Derry City Council Environmental Services Committee meeting held in the Guildhall on the 9th September 2010 you explicitly stated that you were 'not a member of the Outer North Group and had no knowledge of the workings of that group'.

As you may be aware that after that meeting residents contacted Mr Darren Kirby, Strategy Manager of the Outer North Neighbourhood Partnership and Mr. Kirby stated categorically that you are indeed a board member of the Outer North Neighbourhood Partnership Mr. Kirby's statement would also corroborate documents residents have obtained which confirm you are a member of the ONNP.

As such we would like to seek clarification on your position as regards the Outer North Board.

Why did you state at the Environmental Services Committee meeting that you were not a member of the Outer North Board, when you are a member of that group?

We look forward to hearing from you at your earliest convenience and can be contacted by return at the address above.

Kindest regards

Pauline Mellon
